Embroidery Tips:

Read all the instructions carefully:

Fabric: medium weight

- Hooping - taut but not overstretched
- Always use the best quality fabrics, stabilizers and suitable needles
- Stabilizer- One layer, medium weight, hooped with the fabric – for normal embroidery
- Embroidery Thread: I use marathon for all my embroidery
- Always start with a new thin needle (75)
- Jumps have been limited to a minimum. I recommend trimming any jumps before continuing with embroidery.
- Print a template of the buttonhole and plan ahead
